

South-East Asia/Pacific Islands Travel Award 2023

The Australian and New Zealand Society of Blood Transfusion (ANZSBT) is offering a grant to assist persons from resource poor countries in the South-East Asia region or Pacific Island nations to attend BLOOD 2023, the combined annual scientific meetings of ANZSBT, Haematology Society of Australian and New Zealand (HSANZ) and Thrombosis and the Haemostasis Society of Australia and New Zealand (THANZ).

The meeting will be held in Australia in Melbourne, Victoria, from 5-8 November 2023. It provides the ideal opportunity to learn of recent developments in haematology and blood transfusion as well as for meeting and networking with colleagues with similar professional interests. For further details of the meeting contact the ANZSBT Secretariat at: anzsbt@anzsbt.org.au or visit the website meeting at https://www.blood2023.com/.

The award is open to residents of resource poor countries in the South East Asia region or Pacific Island nations who are actively working in any area of blood transfusion in a medical, scientific, nursing or administration capacity.

The grant covers airfares, accommodation and free registration to the conference which will all be arranged by ANZSBT and the conference organising company.

To be considered for the award please send a written letter of application which should include a brief resume of your qualifications, current and past employment, area(s) of special interest, and if you have access to any other sources of funds to attend the meeting. Please limit your application to 3 pages.

Email your application to anzsbt@anzsbt.org.au.

There may also be an opportunity for successful applicants to spend 1 day in a hospital transfusion laboratory prior to/after attending the conference, for which assistance will be given. If you would like to participate in a laboratory visit please indicate this in your application letter.

Applications are open as at Wednesday 26 April 2023 The closing date for applications is Friday 19 May 2023
