

Peter Schiff Award 2026

Kindly sponsored by the CSL Behring

The *Renewed* Peter Schiff award is aimed at fostering the career development of emerging or early career members of the transfusion community (ie, a student, undertaking post-graduation qualifications, aged <35 years or less than 5 years in a dedicated transfusion role).

The award will be

- Open to current members of ANZSBT.
- Applications should detail an innovation or idea to further the advancement of clinical or laboratory transfusion medicine.
- After selection, you will pitch your innovation or idea to a think tank panel nominated by ANZSBT Council (you will be contacted for a time suitable to all)
- Assessment will be based on how innovative/novel the idea is, feasibility and impact and/or benefits to the transfusion medicine community.
- The Award will be announced during the Gala Dinner at the annual Blood conference with the Certificate awarded at the completion of the project by representative of CSL Behring.
- Award recipient must submit an abstract and attend the annual Blood conference to present and accept their award within 2 years of receiving this, acknowledging CSL Behring for sponsorship.

Applications must include a **Letter of support from employer, manager or supervisor.**

The award has a monetary value of \$5,000 with 2/3 paid at announcement of the award and the remaining 1/3 at completion of the total financial grant following the submission of an abstract and report of the project to Council.

Please complete the attached nomination form, include a Curriculum Vitae and send by email to: anzsbt@anzsbt.org.au
